Mr. Alan Ritvo,

As Founder and President of the **Independent Tang Soo Do Association**, I am happy to announce the acceptance of the **Riverview Martial Arts**, you and your students into the Independent Tang Soo Do Association. I know that you and I will work closely over the course of our association to assure that the relationship is mutually beneficial to our schools and students.

I know that we are both dedicated to the preservation of the martial arts. As a senior Ko Dan Ja representative of the martial art known as Tang Soo Do, it is vitally important to me that the Independent Tang Soo Do Association support individual practitioner needs and fosters growth of its members while preserving traditional Tang Soo Do techniques and philosophies, which is the primary goal of the Association. This being said, I am excited and look forward to the opportunity for you and your students to work closely with me and the Association to assure this primary mission.

The Independent Tang Soo Do Association provides the foundation for its members down to the student level to gain an in-depth understanding into Tang Soo Do philosophy, techniques and history. This is accomplished by fostering a well-rounded, quality-based program inclusive of the many aspects of Tang Soo Do. In addition, it encourages growth of the spirit of martial arts (Moo Do / 武道) within each of its members.

It serves to achieve this by supporting the needs of both you and your students and providing an in-depth traditional curriculum. It is expected that Association members maintain the highest level of proficiency in Tang Soo Do. I know that you and I will work closely together to assure that these objectives are met.

Sincerely,

Master Gene Garbowsky, 6th Dan Tang Soo Do
Founder, Independent Tang Soo Do Association
Head Instructor, South Hills Karate Academy
